Nathan A. Low, et al. vs. Workstream Inc., et al., 07-CV-2917 (CLB) (MDF)

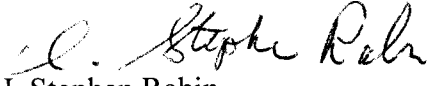

Dear Judge Brieant:

Our letter of April 19, requested a conference to deal with discovery and related issues. Defendants apparently do not oppose such a conference. In fact the issues they raise in their April 20 letter and motion, we respectfully submit, indicates that such a conference would be more than helpful.

In any event, their arguments concern the issues to be addressed at such a conference. We will respond to defendants' arguments at any conference scheduled by the Court and/or our opposition to their motion to strike the Complaint in the above-captioned latter action.

We do note, however, that defendants cite no authority supporting their thesis that a person's legal rights may be extinguished by a scheduling order in a case in which he does not appear.

Respectfully yours,

I. Stephen Rabin
